

REMARKS

Applicants acknowledge with appreciation the Examiner's indication that the claims are allowed.

Applicants proposes to add the new claims 30 – 36 presented in the accompanying listing of claims to replace the previously withdrawn claims 9-12 and 14-16 that were canceled by the Examiner. The independent claim 30 is the canceled claim 9 that has been revised to recite all of the limitations of the allowed claim 1. And, thus, Applicants believe that claim 30 is also allowable.

Claims 9-12 and 14-16 were withdrawn in response to a restriction requirement dated 3/19/2008. Because the Examiner canceled the withdrawn claims upon issuance of the Notice of Allowance, through this amendment, Applicants are hereby requesting rejoinder of the canceled claims 9-12 and 14-16 by reintroducing them as new claims 30-36.

The foregoing amendments do not introduce any new issue of patentability or new matter. Entry of the amendment and allowance of all pending is respectfully requested.

The Commissioner is hereby authorized to charge payment of any required fees, which are associated with this communication, or credit any overpayment to Deposit Account No. **04-1679**.

Respectfully submitted,

Date: January 12, 2009
